

BOOST MY START UP CHALLENGE

UBS

Description

Boost My Startup Challenge is a competition open to Swiss startups active in the areas of engineering, construction, real estate, energy, logistics and mobility. It is organised by the UBS Growth Advisory, a competence centre for fast-growing companies, as well as BG Consulting Engineers, a leading engineering consultancy with numerous projects and customers in Switzerland and internationally.

Want to get more information about the Boost My Startup Challenge?

[Subscribe to our newsletter !](#)

You are...

- A startup based in Switzerland
- Providing an innovative product or service in the sectors of construction, real estate, energy, logistics, or mobility
- Operating a data-driven business model
- Past proof-of-concept and have achieved proof-of-market (through first revenues)
- A startup with high-growth potential

Visit our website and submit your application on www.boostmystartup.ch by 26th September 2021

We offer...

- An access to BG's teams and offices for an objective-driven project or product co-development
- An access to BG's unique customer network, with more than 2000 projects in parallel, offering a first-class springboard for startups
- A support from UBS Growth Advisory, which has supported over 40 Swiss growth companies, by finding the right investors for them or granting them credit financing
- Access to funding, either from the UBS Growth Advisory services or from BG, upon proper matching and long-term collaboration perspectives
- Media visibility, print or digital
